The 2022 Toyota RAV4 offers a new SE Hybrid grade, as well as a multitude of exterior and interior upgrades across all grades. Designed for customers looking for sporty performance and sporty style but at a lower price compared to the XSE, the new SE Hybrid grade for RAV4 Hybrid includes a new Calvary Blue exterior color,

fabric trimmed seats and a 7-inch touchscreen with six speakers. And the SE Hybrid grade's available options are exceptional as well as smartly packaged. Regardless of trim, the RAV4 Hybrid models offer a 40 combined EPA-estimated rating.
