

2022 Toyota Venza

December 15, 2021

The 2022 Venza delivers an intuitive driving experience with smooth acceleration, predictable handling and low noise, vibration and harshness (NVH), all wrapped in a sophisticated design. Equipped exclusively with the Toyota Hybrid System II powertrain and advanced Electronic On-Demand All-Wheel Drive, the Venza offers comfortable urban and highway performance, coupled with impressive fuel efficiency with an EPA-estimated 39 combined MPG rating.
