PLANO, Texas (June 2, 2022) – Toyota Motor North America together with Gulf States Toyota and GSFSGroup are donating \$250,000 to support counseling and bereavement services for families and others impacted by the Uvalde, Texas, tragedy.

Family Services Association, San Antonio, which offers counseling and survivor assistance through a trauma-informed lens, and **Children's Bereavement Center of South Texas**, which provides services for grieving youth and their families, are each receiving \$75,000.

Gulf States Toyota and GSFSGroup are providing \$50,000 to both **Children's Bereavement Center of South Texas** and **The United with Uvalde Fund**.

Toyota also is matching employee giving, encouraging donations to the following nonprofits:

- **The Onestar Foundation – Robb Elementary Memorial Fund:** contributing to the relief fund for victims, families and others affected by the tragedy.
- **Children's Bereavement Center of South Texas:** to deliver counseling services for children, caregivers and community members.
- **Family Services Association:** to support survivor families to cover basic needs and mental health aid.
- **Communities in Schools San Antonio:** to provide basic needs, education support and social services.

- **United with Uvalde Fund – United Way of San Antonio and Bexar County:** to support mental health services for students, teachers and families.
