

2024 Toyota GR Supra

June 21, 2023

Image not found or type unknown

For over four decades, the Toyota Supra has earned a reputation as an icon among sports car enthusiasts. From its first-generation roots as the Celica Supra in 1979 to its current fifth-generation form as the GR Supra, the model has captured drivers' hearts over the years with a blend of power, handling, tech, and style. For 2024,

Toyota pays tribute to that history with an eye-popping 45th Anniversary Edition.
