Much like its namesake, the immense coastal redwoods, the third-generation Sequoia makes an immediate impression. This three-row SUV elevates the full-size segment with luxurious comfort, impressive technology and breath-taking performance from an efficient hybrid powertrain. Already offering a wide array of choices and

options, the 2024 Sequoia enters with new options for exterior looks and off-road performance. A Nightshade package has been added to elevate the Sequoia’s style and attitude. The popular and capable TRD Off-Road Package is now available on Platinum grade 4×4 models.
