The instant name recognition that 4Runner has built over the past four decades is undeniable. This legend has long established itself as a North American off-road icon, ready to tackle tough terrain in its way. The all-new 2025 Toyota 4Runner stays true to its original concept, as an extremely capable, dynamic, and durable off-roader

and will continue to provide owners a window to bigger worlds. The new generation introduces a bold new look and adds new technology, premium materials, options, and safety. In fact, this all-new sixth generation 4Runner raises the bar in terms of go-anywhere capability and high-end refinement. The 2025 4Runner will be built in Toyota Motor Corporation's Tahara plant in Japan and will arrive in the U.S. at the end of 2024.
