The 2025 Toyota Corolla family is heating up this year with the new Corolla FX special edition. Paying homage to the iconic and sporty Corolla FX16 that dates back to 1987, this special edition is bringing its own sporty flavor to the Corolla lineup. Based on the SE grade, the Corolla FX's daring style adds an enhanced rear spoiler

for those who want the extra flair. For wheels, customers will find a new 18-inch satin-black finished alloy wheel with machined accents and black lug nuts. Other edgy features include a blacked-out roof to give that two-tone sporty feel, black badging, and black mirror caps.
