

# Toyota Recalls Certain 2024 Model Year Toyota Grand Highlander and Lexus TX Vehicles

June 20, 2024

**PLANO, Texas (June 20, 2024)** — Toyota is conducting a noncompliance safety recall involving certain model year 2024 Toyota Grand Highlander and Lexus TX vehicles. Approximately, 145,000 vehicles are involved in this recall in the U.S.

The curtain shield airbag on the driver's side may not deploy as intended during certain crashes if the driver's window is rolled down. If this occurs, the vehicles may not meet a federal safety standard, increasing the risk of injury during certain crashes.

Toyota is currently developing a remedy for this issue.

Customers will be notified about this issue by the middle of August 2024.

Information about automotive recalls, including but not limited to the list of involved vehicles, is current as of today's filing date and is subject to change thereafter. To see if your vehicle is involved in a safety recall visit [Toyota.com/recall](https://toyota.com/recall) or [nhtsa.gov/recalls](https://nhtsa.gov/recalls) and enter your Vehicle Identification Number (VIN) or license plate information.
