The 2025 Sienna brings the space, convenience, and efficiency that make it a winning choice for any lifestyle. For 2025 the Sienna can seat up to 8, depending on grade, and gets interior design and color updates across every grade. It also adds the latest Toyota Audio Multimedia System and a convenient radar-based seat reminder

system standard. The Platinum and Limited grades also add an available vacuum and FridgeBox™ for a clean, cool ride. There is also a Digital Gauge Cluster now available on XSE, Woodland Edition, Limited, and Platinum. All Sienna models are powered by the Toyota Hybrid System and are available in a choice of FWD or AWD drivetrains.
