SUSONO, Japan, and SANTA CRUZ, Calif. (Nov. 4, 2024)—Toyota Motor Corporation (Toyota) and Joby Aviation (Joby) came together at Toyota’s Higashi-Fuji Technical Center (Shizuoka, Japan) to assert their collective passion and ambition for air mobility in a gathering that included executives from both companies, Akio Toyoda, the chairman of the Toyota Group, and Joby CEO and founder, Joe Ben Bevirt, along with Joby’s air taxi, an electric vertical takeoff and landing aircraft (eVTOL*).
